The author (undersigned) hereby grants the University of Split, Faculty of Electrical Engineering, Mechanical Engineering and Naval Architecture the permission to publish the paper referenced above in the Proceedings of the The 7th international EURASIP workshop on RFID technology and International Conference on Smart and Sustainable Technologies to be also made available through IEEE Xplore® and warrants that it has not either been published or being offered elsewhere for publication. The undersigned does so with full understanding.

The undersigned hereby represents and warrants that the work is original and that he/she is the author of the work, except possibly for material such as text passages, figures, and data that clearly identify the original source, with permission notices from the copyright owners where required. The undersigned represents that he/she has the power and authority to make and execute this assignment.

For jointly authored paper, either all joint authors or one of the authors should sign as an authorized agent for the others.
